<b>Module Name: Integrational Case Studies</b>	
Module Code	w.BA.XX.2InFa-BL.XX
Module Description	Students deepen and consolidate their knowledge and skills in the key areas of commercial law. They apply the legal case solution technique to case studies based on complex facts. In doing so, students evaluate and systematize legal problems, for which they develop solutions based on what they know and the knowledge acquired in this module. These solutions are presented by students in a compelling manner.
