Comments	The module description is based on the assumption that in the fall semester 2021 classes and exams will both take place on campus. Changes affecting the module or type of performance assessment are however possible at short notice if the situation changes due to the pandemic. The written assignment ("task at home") will be a pass/fail performance assessment. Failure to submit it or submit it on time, or if it is of insufficient quality, will lead to the deduction of one full grade point (1.0) for the end-of-module exam.
