Module Name: Marketing & Human Capital Management	
Module Code	w.BA.XX.2MHCM-BL.XX
Module Description	Students gain an overview of two important general management specializations and understand their key areas of application. They understand the main terms and the process of marketing. They can also evaluate and apply the main marketing tools based on the marketing mix (marketing). This is effective with employees who exhibit the required human capital to actually implement the corporate strategy. Students know the roles and duties of human capital management and its contribution to corporate success. They also know the important tools and processes of HCM and are capable of working together with specialists from the field of HCM (HR).
