

Valid for 2021.HS

Module Name: Strategy			
Module Code	w.BA.XX.2Strat.XX		
Module Description	Students understand the significance of strategic management for corporate success and develop, under supervision and independently, solutions for individual steps of the strategic problem-solving process. They are able to use suitable frameworks and tools to analyze the current strategic situation of a company, develop alternative competitive strategies, and identify and address key challenges for the implementation of these strategies.
