

Valid for 2024.FS

<b>Module Name: Bachelor's Thesis</b>	
Module Code	w.BA.XX.3Ba-BL.XX
Module Description	Students choose or are assigned a topic from science or practice which they deal with scientifically to produce an individual paper. They analyze the problem, carrying out an in-depth analysis of the situation and deriving recommendations for the procedure to solve the problem based on their analysis. When solving the problem, students apply the knowledge and skills they have acquired during their studies in a purposeful, effective, and efficient manner, acquiring additional specialist knowledge in the process. The Bachelor's thesis thus reflects a student's ability to act and increase their ability to act as a result of what they take from the degree program.
