

Valid for 2024.FS

Module Name: Liability and Social Security Law	
Module Code	w.BA.XX.3HSVR-RI.XX
Module Description	Students gain an overview of the legal aspects of social insurance within the framework of the Swiss pension system and non-contractual liability law. They will be able to classify corresponding legal issues appropriately. They acquire the legal-methodical skills and learn to implement them in a practice-oriented manner within the framework of social insurance law and liability law cases. In addition, students become familiar with insurance-relevant aspects of anti-money-laundering law.
Program and Specialization	Business Administration - Specialization in Risk and Insurance
Legal Framework	Academic Regulations BSc dated 29.01.2009, for the degree programs in Business Administration, International Management, Business Information Technology, Business Law, Business Law and Applied Law, first adopted on 12.05.2009
