Comments	 Please note that this module will mainly take place offline (i.e., in ZHAW lecture rooms), in some cases online (Microsoft Teams). The final schedule (including information on the mode of implementation of all classes of this module) will be announced at the first event of the module at the latest. No consideration can be given to classes taking place immediately before or after this module. It is your responsibility to clarify whether this module fits your schedule.
	 This class requests high commitment from every single individual taking it. You will build your own blog and promote it. This will result in some costs that every single individual will have to take on. The expected expenses will consist of hosting and promoting the website. The related costs per student will be CHF 50 There will be a maximum of six groups of three to four students.
