

Valid for 2022.HS

<b>Module Name: Master Thesis</b>	
Module Code	w.MA.XX.MTBF-PiE.19HS
Module Description	By completing a Master's thesis, the students prove that they are capable of dealing on their own with a demanding subject-related problem within a given time frame and in a manner that is scientifically founded, appropriate, and solution-oriented. Students are encouraged to submit their own topic ideas.
Program and Specialization	Banking and Finance (PiE)
Legal Framework	Academic Regulations MSc in Banking and Finance dated 29.09.2011, Appendix to the Academic Regulations for the degree program in Banking and Finance, first adopted on 28.08.2012
Module Category	<b>Module Type:</b> Compulsory
ECTS	15
Organizational Unit	W Institut für Wealth & Asset Management
Module Coordinator	Ruben Seiberlich (seib)
Deputy Module Coordinator	Johannes Höllerich (hoe)
Prerequisite Knowledge	A prerequisite for this module are the methodological and professional skills students have acquired so far while completing the MSc in Banking & Finance program. The relevance of each module varies depending on the topic of the Master's thesis. Statistical and econometric knowledge, the processing and research of scientific literature, and a structured approach are essential. In addition, the Master's thesis builds on the specialist knowledge acquired in the other modules of the Master's program.
Contribution to Program Learning Goals (Affected by Module)	§ Professional Competence § Methodological Competence § Social Competence § Self-Competence
Contribution to Program Learning Objectives	Professional Competence § Knowing and Understanding Content of Theoretical and Practical Relevance § Apply, Analyze, and Synthesize Content of Theoretical and Practical Relevance § Evaluate Content of Theoretical and Practical Relevance Methodological Competence § Problem-Solving & Critical Thinking § Scientific Methodology § Work Methods, Techniques, and Procedures § Information Literacy § Creativity & Innovation Social Competence § Written Communication § Oral Communication § Teamwork & Conflict Management § Intercultural Insight & Ability to Change Perspective Self-Competence § Self-Management & Self-Reflection § Ethical & Social Responsibility § Learning & Change
Module Learning Objectives	Students... § analyze a complex problem with a theoretical and a practical dimension, provide explanations and/or suggest possible solutions, and, if necessary, develop solutions. § reflect on their own approaches and those of others in a differentiated and critical manner, demonstrate their ability to consider different perspectives, and develop their own position based on compelling reasoning. § meet the requirements of writing a scientific paper. They place the issue in an overall context, describe the current state of relevant scientific knowledge, and apply one or more scientific methods suitable for addressing the issue. § apply and develop the methodologies they know, possibly developing their own methods. The students demonstrate their ability to weigh the benefits and drawbacks of different methods. § relate their findings to their practical application and derive well-founded recommendations for action. § present their thesis and defend their arguments.
Module Content	§ Composing a thesis proposal for the selected topic § Writing an independent scientific paper on a topic of banking & finance § Defending the thesis

Written Assignment	Grade	-	80,00 %
Thesis Proposal	Pass/Fail	-	-
Thesis Defense	Grade	-	20,00 %
Students are not allowed to revise and resubmit performance assessment tasks.			
Classroom Attendance Requirement	Mandatory Attendance: None		
Language of Instruction/Examination	English		
Compulsory Reading	-		
Recommended Reading	-		
Comments	Students receiving a "fail" for their thesis proposal may revise and resubmit it. If they are unsuccessful in revising their thesis proposal, they will have failed the module. Please note that only the proposal can be revised and resubmitted, not the final thesis itself. In case the thesis is assessed as unsatisfactory, students can decide whether or not they still want to give the defense.
