

Valid for 2023.FS

Module Name: Contract Formation and Succession Planning	
Module Code	w.BA.XX.3VVG-BL.XX
Module Description	Students will gain an overview of the legal possibilities and limitations of contractual drafting in the field of the law of obligations. They will acquire the competence to check draft contracts for their legal admissibility and conformity to objectives as well as to independently edit individual contract clauses and entire contract texts. Students will be given an in-depth insight into special aspects of the law of obligations and recognize their practical relevance.
Program and Specialization	Business Law
