

Valid for 2024.FS

Module Name: Administrative Law		
Module Code	w.BA.XX.3VerwR-BL.XX	
Module Description	Students will be able to identify the various problems of administrative law. They are familiar with the main features that characterize the performance of government tasks by the community, can classify issues of administrative law appropriately and distinguish them from issues of private law. They are also able to correctly apply the relevant sources of law to concrete situations.	
Program and Specialization	Business Law
