Module Name: Marketing	
Module Code	w.BA.XX.WPM-MA-BL.XX
Module Description	In this elective module, students acquire an overview of one of the most important and stimulating specializations of business and management. Students learn the principles and concepts of marketing and are able to evaluate, select, and apply the most important marketing instruments based on the marketing mix. In a group assignment, an innovative marketing concept for a real company or a non-profit organization is developed, and learning content is applied in a practically oriented way.
