

Valid for 2022.HS

Module Name: Corporate and Entrepreneurial Finance	
Module Code	w.MA.XX.CEF-PiE.19HS
Module Description	Students apply the methodologies and concepts learnt in the finance modules of their Bachelor's degree program to a range of problems in the financing of listed and private companies. The module also deals with the practical problems and aspects of raising equity capital for SMEs and corporates in entrepreneurial settings in general (entrepreneurial finance). Further, students will be given an introduction to mergers & acquisition transactions and will learn how to apply firm valuation methods in an M&A context and for other (similar) purposes.
